COMMEMORATIVE GRANITE BRICKS

The Mattapoissett Historical Commission is offering an opportunity to purchase commemorative granite bricks in honor of family and friends. Inscribed bricks have been placed in Shipyard Park, Ned’s Point and the Herring Weir.

The Mattapoissett Historical Commission has been at the forefront of this project for the last eight years. Over two hundred bricks have been placed during that time, and installed in partnership with the Mattapoissett Highway Department. **The cost of each brick is \$55.**

A brick may be inscribed with up to three lines, each line containing no more than 16 letters per line, including spaces and punctuation. The location order must be complete before bricks can be placed in the ground at your designated spot. Currently, there is available space for bricks to be installed at Shipyard Park and Ned’s Point.
